

COIN CLUB ISSUES OF NEBRASKA

By
Steve Drake
&
John Veach

The beginning of this book actually began in the spring of 1988. Steve Drake wrote a brief article titled "Coin Club Issues of Nebraska." The article was first printed in the Nebraska Numismatic Association NEWSLETTER in April 1988, and reprinted in the Spring 1988 issue of "The Centinel," the publication of the Central States Numismatic Society.

In 1991 John Veach wrote a book on the history of the Wahoo Coin Club. This book included information on issues that were not listed in Steve's article. With Steve and John's interest in Nebraska medals the two decided to combine forces and create a book on different items that coin clubs in Nebraska issued or items that had club names on them from Nebraska.

As Steve and John talked to more people trying to find pieces to add to their collections, they also obtained information on other clubs that were "forgotten" about in Nebraska. They obtained much of this information from older collectors and reviewing past issues of the N.N.A. NEWSLETTER. This project started out to be a check list but evolved into a brief history of Nebraska coin clubs.

As this project grew, it became apparent to Steve and John they had to decide what to include in the book and what not to include. There was no fine line to decide, but generally papers, items such as membership cards and show flyers, are not listed in the text. Also not listed are awards such as plaques given out for exhibits or past presidents. A partial list of club ribbons was included because the information and the ribbons were available. Some of these ribbons are the only things left from the coin club shows and coin club known to the authors. We do not presume that this book is perfect, nor do we pretend that every item issued by a coin club is included.

The clubs are listed alphabetically. Some clubs listed have no numismatic items but a brief history of the club is printed in hopes that something will turn up. The American Numismatic Association, the Central States Numismatic Society, and the Iowa Numismatic Association are listed for just those years they held numismatic events in the state.

In 1967, the Fremont, Lincoln, Nebraska City, Midwest, Omaha, SAC and Wahoo Coin Clubs issued medals with a common reverse design. The Minden and Platte Valley Coin Clubs medals can be found with this common reverse design, it is unclear if these medals were authorized by these two clubs. The reverse design of a covered wagon scene was referred to as the centennial design of the Nebraska City Coin Club in the minutes and notes of the Omaha Coin Club. Thus, in the following text, it will be referred to as the Nebraska Centennial logo. Some day maybe the history of this design will be told.

In describing the medals, the word antiqued has been used, such as antiqued bronze or antiqued nickel-silver. In the 1960s when this process was applied to medals, it was called "oxidized." Basically, "antiqued" and "oxidized" are the same process used on some coin club medals.

Wooden nickels are listed by year, color, and reverse device. A wooden "crown" is referring to wooden pieces of about two inches in diameter. A wooden flat is a rectangular piece.

Along with descriptions and photographs, the mintage, or number of pieces issued, is listed when this information was available.

Several years of study and research have gone into this publication and we sincerely hope that inadvertant errors will be forgiven by the reader.

The authors would like to acknowledge the aid and assistance of many people. Without your help this book would have been infinitely more difficult to produce. We greatly appreciate their contributions and support in this project.

We invite correspondence from collectors who have any comments about our efforts and where possible we would hope to modify or revise future editions of this book to include any omissions.

Any communications concerning this book should be addressed to the authors.

American Numismatic Association

The American Numismatic Association, an educational, nonprofit organization, is the largest and most active numismatic body in the world. Founded in 1891, the Association claims more than 31,000 members from every state in the Union and many foreign countries. The Association's official journal, The Numismatist, was first published in 1888 by Dr. George F. Heath. Chartered for 50 years by an act of Congress in 1912 and renewed in perpetuity by an Act of Congress on April 10, 1962, the Association is a mutual organization for the benefit of its members.

The Omaha Coin Club acted as host club for the 64th Annual Convention in 1955.

In 1964 the Omaha Coin Club issued a wooden nickel which was an advertisement for the A.N.A. building fund. In 1965, Omaha was tentatively chosen as the location for the headquarters of the A.N.A. Representatives of the Omaha Coin Club, Chamber of Commerce, Joslyn Liberal Arts Society, Boys Town PhilaMatic Center and the Bryon Reed heirs cooperated in presenting Omaha as a suitable home for the A.N.A. Subsequent events in Omaha resulted in Colorado Springs, Colorado, being selected as the location of the A.N.A. headquarters.

34TH ANNUAL A. N. A. CONVENTION - OMAHA 1955

Ancient Coin Club Of Nebraska

The 10th annual NNA convention in Lincoln proved to be a long-awaited meeting ground for collectors interested in ancient coins. An unscheduled meeting was announced to the convention guests on Saturday afternoon. At the appointed time and place, Sunday morning, over a dozen persons interested in this speciality assembled. Plans were formulated which called for meetings to be held on an irregular basis at the whim of any member desiring to host such a meeting.

AS. (Ancient Society)

The Ancient Society, or AS as it was known to collectors, was a different club than the Ancient Coin Club Of Nebraska. Both clubs shared many of the same members. Meetings were held on an irregular basis. The club motto was "Devoted to furthering the study and collecting of classical coins."

Aurora Coin Club

The Aurora Coin Club was formed in the fall of 1975. Their meetings were held on the second Monday of each month at the Farmers State Bank. No other information is available at the present time.

Beaver Valley Coin Club

The Beaver Valley Coin Club met the first Monday night at the Town House Cafe in Albion; later the meetings were moved to the "Hobby House" and meeting nights changed to the first Tuesday night of each month.

One of the events the club sponsored was a ladies-night banquet which was held in March of each year.

Apparently the club also had shows, but no information is available to confirm this.

Club officers in 1970: President, Jim Crosby; Secretary, Nettie Reynoldson.

RIBBONS

Blue Best of Show exhibit
Blue First place exhibit

Blue Valley Coin Club

The Blue Valley Coin Club met each third Tuesday alternating between Wymore and Beatrice with Beatrice holding the meeting on odd months. Starting in 1970 all meetings were held in Beatrice at the bank building.

:

Boys Town Coin Club

Members of the Omaha Coin Club tried to help organize a new club at Boys Town in January of 1967. Meetings were to be held every Thursday at 6:30 at Boys Town. The following were appointed officers protem: President, Chuck Reichwein; Vice-President, Rich Reichwein; Secretary, Jim Sanny; Treasurer, Lee Beem; Sargent-at-Arms Roger Hibler; Librarian, Don Liike. This club never passed the planning stage, but was included in hopes more information about it would become available.

Boys Town PhilaMatic Center

The PhilaMatic Center was included because of its close ties with numismatics and once was a club member of the American Numismatic Association.

In the late 1940's after several years of searching for the right location, Dwight O. Barrett of Tulsa, Oklahoma, donated his extensive collection of stamps, currency and other items to Boys Town.

Mr. Barrett, a retired mechanical engineer, was then asked by Boys Town's founder, Father Edward G. Flanagan, to design a suitable museum to house his collection. On July 1, 1951, through the generosity of Mr. Barrett and Mrs. John R. McCarl who donated funds to build the museum in honor of her deceased husband, the Boys Town PhilaMatic Center was opened.

The name PhilaMatic center was specially chosen for the center by Mr. Barrett by combining the terms Philatelic (the collection of stamps) and Numismatic (the collection of money). "PhilaMatic Center" was subsequently copyrighted by Mr. Barrett.

Not only was the collection special, the design of the PhilaMatic Center is too. Plans drawn up by Mr. Barrett include glareless lighting and humidity controls at 40 to 50 percent, recommended by the U.S. Bureau of Standards as the best climate for preserving papers. The coins, medals, tokens and currency were displayed so both sides of the coin could be seen. This was done through special die cut holders.

The Center had a collection of great variety and completeness. Some of the items which could be viewed at the PhilaMatic Center :

A 600-pound ball of stamps (featured in Ripley's "Believe it or Not").

The world's largest paper money display with over 9000 notes.

The only existing block of four Uniontown, Alabama Confederate stamps.

Authentic autograph signatures of 32 of the signers of the Declaration of Independence.

The Oscar presented to Spencer Tracy for his role as Father Flanagan in the 1938 movie, "Boys Town."

Swedish Plate Money coins which weigh several pounds each.

An exhibit of paper money where visitors are invited to find there own town's scrip.

A stamp with the denomination \$50,000.

Boys Town started selling the numismatic items out of the museum in early 1988, and is now known as the Stamp Center. When Melvin Stark was curator, in the 1970's, he had some elongated coins made. In 1976, to honor the 25th anniversary of the PhilaMatic Center, elongated coins depicting the famous "He Ain't Heavy He's My Brother" statue were made. Then in 1977, elongated coins were made for the 60th anniversary of Boys Town.

Anniversary of the Boys Town

PhilaMatic Center will be celebrated with an
open house, Thursday, July 1, from 6 to 9 p.m.

Broken Bow Coin Club

No information was available to the authors.

Central States Numismatic Society

Frank Ross of "Hobbies" magazine and Lee F. Hewitt of "Numismatic Scrapbook" magazine were the driving forces behind the establishment of the Central States Numismatic Society. They contacted members of the Chicago Coin Club and several other coin clubs to form a regional club so they could have another large annual convention besides the American Numismatic Association each year. The first convention was held at the Congress Hotel April 23, 1939 in Chicago.

The Central States Numismatic Society has held two memorable conventions in Nebraska.

The 41st Annual Convention of CSNS was held in Lincoln April 17 - 20, 1980. The convention was hosted by the Nebraska Numismatic Association. Elongated coins were made during the convention to mark the event. This particular convention is best known as when the coin market "Black Friday" took place. During the late seventies, a great coin boom took place in the coin hobby and industry. Prices for coins and silver and gold bullion were on a steep rise. Then all of a sudden on Friday, April 18th the bottom seemed to drop out of the market. To this day, the CSNS convention held in Lincoln is known as "Black Friday" for the coin market.

In the mid eighties the Central States decided to hold a smaller convention each year in the Fall besides having its big convention in the Spring. The Omaha Coin Club hosted the first fall CSNS convention October 17 - 18, 1987. No numismatic items were produced for this event.

Collectors Coin Club of Offutt Air Force Base

Sometime after the SAC Coin Club moved its meeting site from Offutt AFB, coin collectors at the base decided to form another club on the base. The Collectors Club became a member of the American Numismatic Association in January of 1979. The club held its meetings at the Recreation Center. In 1987 the club members decided to disband the club. The last official act of the club was paying for one year's dues for all members to the Omaha Coin Club, plus all remaining funds were donated to the Young Numismatist program of the Omaha Coin Club. This donation to the Young Numismatist program was over 300 dollars.

Columbus Coin and Stamp Club

No information was available to the authors.

Common Cents

Common Cents was located in Grand Island. No other information was available to the authors.

Elkhorn Valley Coin Club

The Elkhorn Valley Coin Club was located in Scribner. No other information was available to the authors.

Fort Kearney Coin Club

The Fort Kearney Coin Club met the second Wednesday of the month at the Kearney Loan Company. It published a newspaper entitled "The F.K.C.C. News." The newspaper included club news, local information on numismatics and a classified ad section.

The club presented an outstanding member award each year at its June meeting.

RIBBON

Coin Festival October 15-16, 1966 2nd Place (Yellow)

Fremont Coin Club

The club was organized on January 24, 1963 with twenty-five charter members present. The object of the club was to encourage and promote interest in numismatics, and to cultivate friendly relations among coin collectors, dealers and students. A special effort was placed upon the educating and assisting young people showing a sincere interest in coin collecting.

Harold Wilkinson of Fremont was elected the first president of the Fremont Coin Club. Other officers elected were Robert Brunner as vice-president, Carl Hansen as secretary-treasurer and W.W. Clark as the sergeant-at-arms. Roger Bolz was appointed by the president as the club membership chairman. All regular meetings were to be held on the third Saturday of each month at the Fremont Fire Station at 7:30 p.m.

On May 5, 1966, the Fremont Coin Club was incorporated by Harold Marsh, Secretary of State, of the State of Nebraska with forty-seven active club members.

The Fremont Coin Club holds the distinction of issuing the most numismatic items of any club in the state. The club has issued wooden nickels since 1965 and a four-piece set of medals during the states centennial in 1967.

To make it as easy as possible, we have listed the 54 different wooden nickels. The club has various messages on one side, so they are listed by year, color and reverse device. A person could collect the different devices as a "type set" and still have 18 different wooden nickels.

The 1967 medal was issued in sterling silver, golden bronze, nickel-silver and antiqued bronze. The obverse of the medal has the bust of John C. Fremont. Above the bust are the words, "THE PATHFINDER." Below the bust is, "JOHN C. FREMONT." The dates 1813 and 1890 appear on the medal. Circling the outer edge is "FREMONT COIN CLUB INC., FREMONT NEBRASKA" and "PORTRAIT OF HISTORY." The reverse of the medal has the Nebraska Centennial logo.

Grand Island Coin Club

The Grand Island Coin Club acted as host club for the fourth annual Great Plains Coin Festival, held at the Holiday Inn, on September 18-19, 1965. The highlight of the show was the exhibit of Ancient Coins sponsored by the Nebraska chapter of the Ancient Coin Club of America. The club sponsored the festival again in 1969. Thirteen dealers from Iowa and Nebraska were present. No other information was available to the authors.

Great Plains Coin Festival

The Great Plains Coin Festival was hosted in rotation by the Grand Island Coin Club, The South Central Nebraska Coin Club of Hastings, the Minden Coin Club, the Fort Kearney Coin Club, and the York Coin Club.

The Grand Island Coin Club acted as host club for the fourth annual festival, held at the Holiday Inn, on September 18-19, 1965. The highlight of the show was the exhibit of Ancient Coins sponsored by the Nebraska chapter of the Ancient Coin Club of America.

The South Central Nebraska Coin Club of Hastings acted as host club for the fifth annual festival held at the City Auditorium on September 10-11, 1966. A special feature of the event was the meeting of the Nebraska Chapter of the Ancient Coin Club of America. Special exhibit awards were given in this category.

The Minden Coin Club acted as host for the sixth annual Great Plains Coin Festival at the Minden City Hall on September 9-10, 1967. Attendance was rated as very good, with outstanding attendance at the auction session held Saturday evening and Sunday afternoon. The auction offered 200 lots of very nice key, semi-key and sets of coins and was the main drawing card of the show.

The Fort Kearney Coin Club acted as host club for the seventh annual festival which was held September 14-15, 1968. Attendance was reported between 300 to 400 people. A very active 100 lot auction was also held.

Iowa Numismatic Association

It is hard to believe a state numismatic organization would hold its annual convention in a different state, but it happened in 1947. The Omaha Coin Club hosted the Iowa Numismatic Association Annual Convention, May 24 - 25, 1947 at the Fontenelle Hotel in Omaha, Nebraska.

The convention began on Saturday, May 24th, with the registration of members of the Iowa Numismatic Association, the Omaha Coin Club, visiting members of the American Numismatic Association, their ladies and guests. All registered ladies and guests would also receive convention badges and tickets to the banquet.

The placement of exhibits and auction material was in the Pompadour Room, while the dealers' bourse was on the mezzanine. Other activities for Saturday were a 2:00 p.m. trip to the Omaha City Library, where the famous Byron Reed Collection was permanently exhibited, including one of the 1804 dollars. (The Byron Reed Collection and the 1804 dollar can still be seen today in Omaha at the Western Heritage Museum). The trip was under the direction of Nelson T. Thorson, member of the Omaha Public Library Board, past president of the American Numismatic Association, and founder and first president of the Omaha Coin Club.

At 8:00 p.m. that evening, Mr. M. Vernon Sheldon of Chicago gave an illustrated presentation of "Continental Rarities, Seldom Seen" with the use of plastic slides. Also, the U.S. Secret Service had movies.

On Sunday, May 25th, registration continued. At 10:00 a.m. the Iowa Numismatic Association held its business meeting in the Black Mirror Room.

At 2:00 p.m., another trip was planned to the Omaha City Library for those who missed the Bryon Reed Collection on Saturday.

At 2:30 p.m. in the ballroom, Numismatic Gallery of New York City held a 290 lot auction. Abe Kosoff was the auctioneer. The convention was adjourned Sunday night.

The Omaha Coin Club is probably the only local club to host two different state conventions. Besides hosting state conventions for Nebraska and Iowa, the Omaha Coin Club has hosted the 1955 American Numismatic Association Convention, and the first Central States Numismatic Society Fall Convention in 1987.

No items are known to the authors.

Hamilton County Coin Club

Jim Jeffries, President of the Hamilton County Coin Club in Aurora, reported in the December issue of the Nebraska Numismatic Association Newsletter that his club sponsored a "Hamilton County Coin Club Show" on October 5, 1975 at the fairgrounds.

Kimball Koin Klub

The Kimball Koin Klub met on the second Monday of each month at the Kimball County Court House's assembly room at 7:30 P.M.

Officers in 1970: President, Frank Saxen; Treasurer, Hugh Uglow.

Lincoln Air Force Base Coin Club

Lincoln Air Force Base Coin Club met for the last time February 17, 1965 because the base was being closed in 1966. Club President Captain Bill Browne reported that the remaining money in the Treasury was spent on door prizes for all in attendance at the meeting.

Loup Valley Coin Club

The Loup Valley Coin Club met the fourth Tuesday of the month in the basement of the Masonic Hall until they changed the meeting day and place to the third Monday of each month at the Noll Building

They held a show in March 1970 with the Broken Bow Coin Club.

Club officers in 1970: President, Russell Rose; Vice-President, Matt Kuhl; Secretary-Treas, Mrs. Leroy Noll.

Lincoln Coin Club

The Lincoln Coin Club was organized May 9, 1951 by 13 thirteen adult and six junior members. Since that time, the club has grown and prospered and now has over 300 members. The Lincoln Coin Club has sponsored several N.N.A. conventions and has fared very well in National Coin Week competition, taking First prize twice and placing second and third over a half dozen times.

The purposes of the Lincoln Coin Club are to promote the science of Numismatics by the acquiring of materials and the study of coins, paper money, and medals; to encourage and assist new collectors; to cultivate the fraternal relations between collectors and students; to foster the interest of youth in the subject and to demonstrate the fact that numismatics is an educational, serious and entertaining pursuit.

The Lincoln Coin Club was one of the clubs in the state to issue a medal to celebrate the state's centennial in 1967. The medals were issued in sterling silver, golden bronze, nickel-silver, and antiqued bronze. The medal shows the State Capitol Building as the major design. To the left of the Capitol is "LINCOLN COIN CLUB." Around the upper edge is "LANCASTER COUNTY." The reverse of the medal has the Nebraska Centennial logo. A holder for the medal set may also be found.

MEDAL

Oxidized Bronze - 500 issued
Nickel-Silver - 500 issued
Silver - 100 issued

MEDAL HOLDER

Four piece 1967 Nebraska Centennial

Midwest Coin Club

The Midwest Coin Club, which was organized January of 1966, held its first regular meeting March 1, 1966 at which time the 1966 officers were installed as follows: President, Perry Nystrom; Vice-President, Nick Sharp; Secretary, Harold Unich; Treasurer, Walt Carlstrom.

In 1967 the Midwest Coin Club, located in Omaha, issued a medal to commemorate the state's centennial. The medal came in sterling silver, golden bronze, and oxidized bronze. It appears no nickel-silver were issued. The obverse of the medal depicts the First Territorial Capitol with the words, "MIDWEST COIN CLUB" below the capitol. Around the outer edge of the are the words "FIRST TERRITORIAL CAPITOL - OMAHA." The reverse of the medal has the Nebraska Centennial logo. Supposedly, the sterling silver medals were made available to charter members only. It appears that this was the only club to number the sterling silver medals.

In 1969 the Midwest Coin Club merged with the SAC Coin Club.

Midwest Vecturist Association

It was announced at the September meeting of the Omaha Coin Club that anyone interested in forming a vecturist club in the Midwest should contact J. Roger Bolz of Lincoln. Subsequently, the group held its first meeting at the Omaha coin show during which several interested persons paid the 1966 - 1967 dues of \$3.00. It was announced that this cost would probably be somewhat smaller in the future after initial expenditures were met. In addition to the business meeting, Mr. Bolz presented a colored slide show of tokens and Mrs. Elaine Swanson, the publicity director of the Omaha Coin Club, exhibited. The club made plans to associate with the National organization, the American Vecturist Association.

The club held meetings at the Nebraska Numismatic Associations conventions and at other shows in the state.

Minden Coin Club

The Minden Coin Club was formed in 1964 by a number of local collectors. The club acted as host for the Eleventh Annual NNA Convention in 1966.

The club name can be found on the type two variety of the Historic Nebraska state centennial medal. Around the outer edge are "HISTORIC NEBRASKA" and "SANDHILL COUNTRY TO RIVER COUNTRY." In the center of the medal is an outline of the state of Nebraska. Within the outline is several scenes, "BOX BUTTE/ALLIANCE", "BLOCK-HOUSE/GRAND ISLAND", "JOHN BROWNS CAVE/NEBRASKA CITY" and a covered wagon at "MINDEN." Above the state outline is "37TH STATE", while below is a ribbon with "PIONEER VILLAGE." Below the ribbon are the words "MINDEN COIN CLUB." On the most common variety, type one, of the Historic Nebraska medal the words "MINDEN COIN CLUB" are missing. It is believed that a second issue of medals were struck after the die was modified and the club name added.

The club issued a wooden nickel noting its meeting were the third Wednesday.

Missouri Valley Wooden Money Society

The Missouri Valley Wooden Money Society was organized on September 8, 1968 in Wahoo, Nebraska. It was an area club for the International Organization of Wooden Money Collectors.

The club held an official business meeting annually in conjunction with the Wahoo coin show. It issued a wooden crown for its first annual business meeting, and wooden flats for the second thru seventh business meetings. Other meetings were held at various coin club shows throughout the Missouri Valley area.

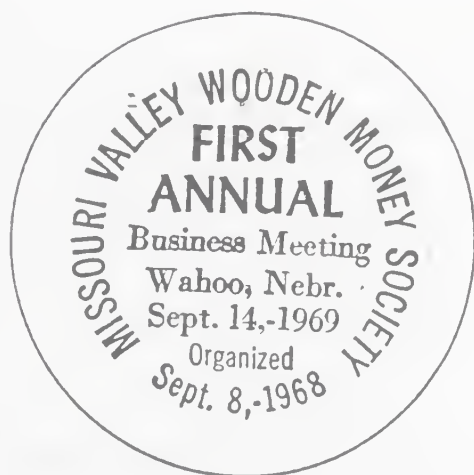

The Missouri Valley Newsletter, the official publication, was sent out to members four or five times yearly.

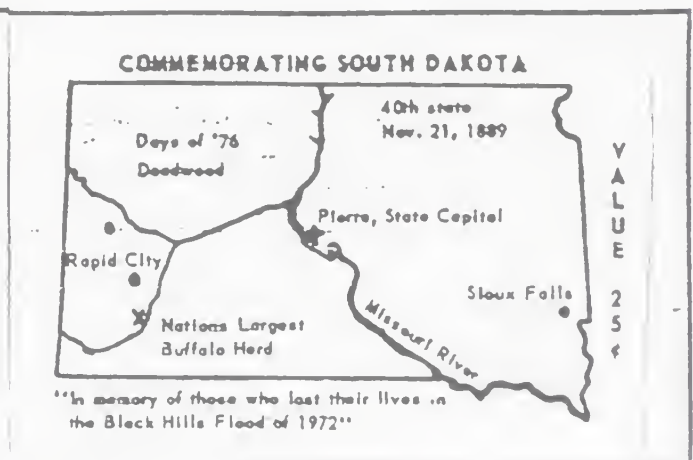

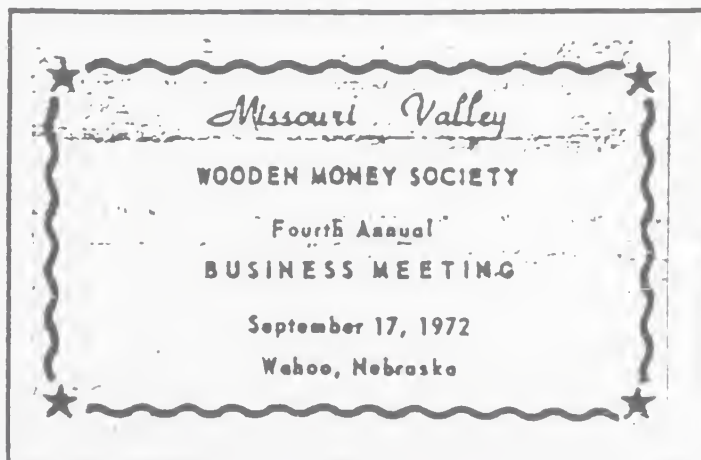

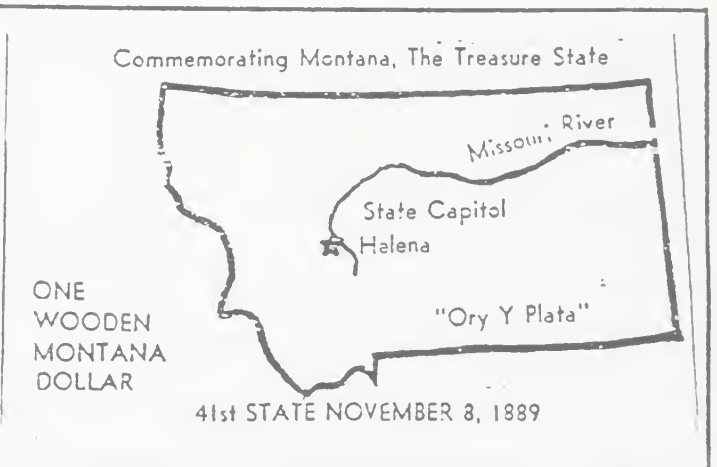

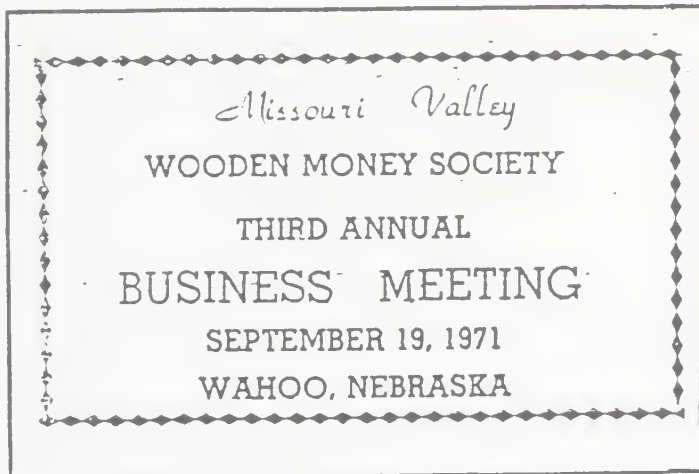

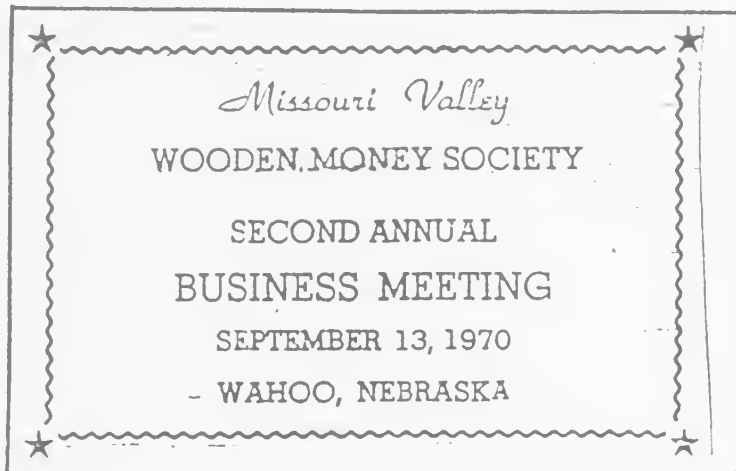

Officers in 1975: President, Don Thibodeau; 1st Vice President, Don Lindgren; 2nd Vice President, Ernest Kratky; Secy-Treasurer, Xenia Kreizel.

The club disbanded in February 1976.

Nebraska City Coin Club

The Nebraska City Coin Club was organized in 1963. Its first numismatic item was an encased cent marking its first annual show. The club issued encased cents for its first ten shows. The club specially muled prior issues to observe its 12th annual show in 1976. The Nebraska City Coin Club appears to be the only club in the state to have issued an encased cent.

In 1967, the club issued a medal to observe the state's centennial. The medal came in sterling silver, golden bronze and oxidized bronze. It appears no nickel-silver medals were issued. The obverse has the Otoe County Court House and a head of an Indian as the devices. Below the building are the words, "NEBRASKA'S OLDEST PUBLIC BUILDING." To the right of the Indian, are the words "OTOE INDIAN." Around the outer edge are the words "OTOE COUNTY COURT HOUSE" and "NEBRASKA CITY COIN CLUB." The reverse of the medal has the Nebraska Centennial logo.

Nebraska Numismatic Association

On September 8, 1955, the Lincoln Coin Club invited all collectors from the state to attend their Ladies Night Banquet to be held on December 3. This was, in effect, the first meeting of the Nebraska Numismatic Association. Fifty-four members were present including Dr. and Mrs. Judd and Lew Regan. Plans for the first convention and bourse, to be held the following spring, were discussed and it was decided to pattern the association after the Kansas and Oklahoma Associations. The first convention was then held in April of 1956 at the Hotel Lincoln in Lincoln, Nebraska.

The objects of the Nebraska Numismatic Association are to advance the knowledge of numismatics through education, history, and science; to bring out cooperation between collectors; to acquire and disseminate worthy numismatic information; and to bring the numismatists of Nebraska into a closer relationship.

The first item the state organization issued was a Proof Set holder. They were issued for many conventions. The exact number of years is not known to the authors. The holders can be found with many different colored inserts.

A 2-3/4 inch metal coaster (used for glasses and cups) was made for the 7th Annual NNA Convention held in Grand Island. The coaster has an Indian head on one side similar to the Indian on the Indian/Buffalo nickel. On the other side around the outer edge is "NEBRASKA NUMISMATIC ASSOCIATION" in the center is "7TH ANNUAL CONV. GRAND ISLAND 1962."

The state organization has issued two medals; one in 1963 and one in 1964. Both years were issued in sterling silver, golden bronze, and antiqued nickel-silver. The club's logo was used on the reverse design both years. The logo is the State Capitol Building superimposed over a buffalo. Beneath the Capitol Building is "ORGANIZED MCMLVI." Around the outer edge is "NEBRASKA NUMISMATIC ASSOCIATION CONVENTION." A variety of different holders can be found for each year of medals.

The obverse of the 1963 medal depicts an Indian and a frontiersman, with "ORG" to the left of the Indian and "1959" to the right of the frontiersman. Below the main scene is "8th NNA CONVENTION 1963." Around the outer edge is, "PANHANDLE COIN CLUB - CHADRON, NEBRASKA."

The obverse of the 1964 medal is a "hub" superimposed over an outline of the state. Inside the "hub" is a star and "NORFOLK." Inside the state outline is "NEBRASKA." Above the state outline is "HUB CITY." Below the states panhandle is "ORG. 1961." Below the design is "9th NNA CONVENTION 1964." Around the outer edge are the words, "NORFOLK COIN CLUB, NORFOLK, NEBRASKA."

The American Numismatic Association issued wooden nickels in 1969 and 1974 in conjunction with the state's convention in Omaha.

In 1976, rolled cents, nickels, dimes, and quarters were issued. The design was an outline of the state with the major rivers of the state shown with a small "NNA." To the left of the state outline is a star with a 37 in the center, symbolizing Nebraska as the 37th state to join the Union. Above the state outline is "1776-1976"; below is "LINCOLN, NEBR."

In 1980, the Central States Numismatic Society held its annual convention in Lincoln to observe the Nebraska Numismatic Association's 25th Anniversary. The 1980 CSNS medals may be considered related to NNA items. Another rolled cent with the state outline and CSNS logo was the main device. Inside the state outline are the words "NEBRASKA NUMISMATIC ASSOCIATION 1980" and a star for Lincoln. Also on the cent is, "CENTRAL STATES NUMISMATIC SOCIETY APRIL 17-20 LINCOLN, NEBR."

In 1992 rolled cents were issued to commemorate the 125th year of Nebraska's statehood. The design was an outline of the state with the NNA logo in the center. Above the state outline are the words "NEBRASKA NUMISMATIC ASSN." ; below is "1867 NEBRASKA-125 YEARS OF STATEHOOD 1992."

Ogallala Coin Club

The Ogallala Coin Club held its meetings in the Chamber of Commerce meeting room on the first Monday of the month, but later changed its meetings site to the Keith County Courthouse at which time it was decided to change the meeting day to the second Monday night of the month.

The club was number 104306 of the American Numismatic Association.

The club sponsored its first annual fall coin and hobby show October 14 and 15, 1972 at the Holiday Inn.

A major project of the club was to provide a high school senior a college scholarship each year. The club disbanded around 1988. In 1993 there was talk of reorganizing the club.

There is one wooden nickel known issued by the club.

1984	Black	Ogallala Ne. Centennial 1884-1984

Omaha Coin Club

The Omaha Coin Club was organized on Sunday, May 6, 1934, at the home of Nelson T. Thorson, making it the oldest club in the state. The first regular meeting was held June 1, 1934 in the Byron Reed collection room of the Omaha Public Library.

On July 1, 1934, the club became a regular corporate member of the American Numismatic Association and was admitted to Life Membership September 1, 1935. The club now holds Life Member #5 of the A.N.A. In 1984, the 50th anniversary, the club became a Life Member of the Central States Numismatic Society.

The club held its first show November 12-13, 1960. The club hosted several other numismatic shows and conventions. The club hosted the Iowa Numismatic Association May 24-25, 1947 at the Fontenelle Hotel. The club hosted the 64th Annual A.N.A. show at the Fontenelle August 24-27, 1955. The club has hosted several Nebraska Numismatic Association conventions. On October 17-18, 1987 the club hosted the first Fall Convention of the Central States Numismatic Society. During Labor Day weekend in 1990, 1992, 1993, the club has hosted the Active Token Collectors Organization (ATCO) annual token show. This is the largest token show in the United States.

Apparently in 1934, Nelson T. Thorson had a steel plaque presented to each charter member. The plaque list all the charter members and has the American Numismatic Association emblem in the center. The initials NTT - 1934 can be found in the lower right hand corner. A printing plate can also be found. The difference between the two is the plaque has a positive image and the printers plaque has a negative image.

Several medals are associated with the Omaha Coin Club. The club issued a very simple-designed medal to observe its 25th anniversary in 1959. The medal is made of brass. On one side is, "1934-1959" with six stars and beads running around the edge. The other side has "OMAHA COIN CLUB " in the center. The word "TWENTY-FIFTH" is curving around the top and "ANNIVERSARY" is curving around the bottom. This side has beads running around the edge also.

At this time we need to mention the club's logo. The Omaha Coin Club logo is an Indian preparing to spear a buffalo. This logo was originally designed by T.R. Kimball of Omaha for the reverse of Trans-Mississippi International Exposition held in Omaha in 1898.

The second time the club issued a medal was in 1967 to commemorate the state's centennial. The obverse of this medal is the club's logo, while the reverse of the medal is the Nebraska Centennial logo. The club authorized 150 sterling silver, 1000 golden bronze and 1000 nickel-silver medals. Members could advance order the 3-piece set for \$4.50. Afterwards, the price was \$6.50 for the three-piece set. The golden bronze and nickel-silver were offered for \$1.00 each.

The October 1967 issue of Omaha Coin Club News said unauthorized issues of the centennial medals were being offered in oxidized bronze. Thus, the Omaha Coin Club 1967 medal can be found in four versions. Mintage of the oxidized bronze is unknown.

Another medal issued in 1984 used the same obverse logo die as the 1967 medal. The reverse design consists of the legends "50th ANNIVERSARY, 25th ANNUAL SHOW", which surrounds the center legend, "OMAHA COIN CLUB 1934-1984." This design was done by club member, Hank Jungbluth. The medal came in 1/2 ounce .999 fine silver and antiqued nickel-silver. An interesting note about the reverse die is that it cracked during production, causing a die crack line around the second "A" in annual. It is estimated that about 95% of the nickel-silver medals show some form of the die crack. The silver medal was sold by advance order only at a cost of \$20.00, while the nickel-silver sold for \$3.00 or \$4.00 by mail, postage paid.

In 1991 the club made use of the logo die to strike another medal. On the other side of the medal is a bust of Byron Reed. His home is depicted to the left of the bust, while on the right side is "1829-1891." Running around the edge are the words "BYRON REED" and "WESTERN HERITAGE MESEUM." 1000 oxidized bronze medals were made. There were also 38 numbered oxidized bronze and 38 numbered silver medals produced. Also, at this time, the club had 10 unifaced logo medals struck. They are presented to outgoing presidents.

A founders medal, presented to the club by Mrs. Wren Culkin in 1967, is awarded periodically to a club member that has shown exemplary service to the club. One side has an eagle with the word "NUMISMATICS" while the other side has incused words "NELSON T. THORSON FOUNDERS AWARD" and a place to engrave the honored person's name.

The club has issued several wooden nickels also. A 1964 wooden nickel was an advertisement for the American Numismatic Association building fund. The A.N.A. was going to build its headquarters in Omaha until it could not come to terms with the City of Omaha. Thus, the A.N.A. located in Colorado Springs, Colorado. The 1966 wooden nickel came with the club's logo. 1250 black and 1250 green were made. The 1969 wooden nickel observed the club's 35th anniversary. 1500 were made in red and black with a buffalo as the reverse device. The 1970 wooden nickel has a black Indian as the reverse device. For the 600th, meeting the club altered 60 of the black logo wooden nickels. The club sanded off the printed side and used a rubber stamp to print the words "600th MEETING MARCH 17, 1988" on it. In 1994 the club issued a wooden nickel to observe the club's 60th anniversary and 35th annual show.

To honor its 500th meeting, the club issued 1000 rolled cents with the club's logo. Above the logo is, "OMAHA COIN CLUB-ORGANIZED 1934." Below the logo is "500th-MEETING MAY 25, 1979." Also 300 clad and silver dimes were rolled, plus other unauthorized coins.

The club also had replicas of the \$1.00, \$3.00 and \$5.00 1857 City Of Omaha Notes printed to advertise its meeting place. The club currently has Young Numismatist paper money. The YNs can earn the "play money" to be used at the YN auctions. The one dollar note has President Steve Drake's photo on it. The 5.00 dollar note has Treasurer Robert Lee's photo on it. The 10.00 dollar note has Vice-President Wayne Hohndorf's photo and the 20.00 dollar note has Secretary Orville Grady's photo on it. A second issue of YN money is pink and comes in 1.00 and 5.00 dollar denominations. The Wahoo Coin Club has a similar issue.

Panhandle Coin Club

The Panhandle Coin Club was formed in 1959 with 17 charter members. In 1960 the club designed and struck a commemorative medal to celebrate Chadron's 75th Anniversary. In 1961 the club held its first public show and won first place in class "B" in the American Numismatic Association's National Coin Week competition. In 1962, it won second place in the same competition.

The club has issued two different medals. The first medal was issued in 1960 in conjunction with Chadron, NE's 75th anniversary. The second medal was issued in 1963 in conjunction with the Nebraska Numismatic Association's 8th Annual Convention.

The obverse of the 1960 medal depicts an Indian and a frontiersman as the main scene with the words "PANHANDLE COIN CLUB" below. Around the outer edge are the words "CHADRON, NEBRASKA DIAMOND JUBILEE 1885 - 1960."

The obverse of the 1963 medal depicts an Indian and a frontiersman with "ORG" to the left of the Indian and "1959" to the right of the frontiersman. Below the main scene is, "8th NNA CONVENTION 1963." Around the outer edge is, "PANHANDLE COIN CLUB - CHADRON, NEBRASKA."

The Nebraska Numismatic Association logo was used on the reverse design. The logo is the State Capitol Building superimposed over a buffalo. Beneath the Capitol Building is "ORGANIZED MCMLVI." Around the outer edge is "NEBRASKA NUMISMATIC ASSOCIATION CONVENTION."

One wooden nickel is known issued by the club.

The club also issued 2-1/2" by 4" cards, with Lincoln cents attached, for several of its coin and hobby shows.

Platte Valley Coin Club

The Platte Valley Coin Club is located at North Platte. The club name can be found on the type one variety of Lincoln County, State centennial medal. The medal shows Buffalo Bill as the main device. Above him, around the outer edge, are the words "LINCOLN CO. NAMED FOR THE SIXTEENTH PRES. OF USA." Below him are the words "BUFFALO BILL'S HOME TOWN NORTH PLATTE." Around the bottom edge is "PLATTE VALLEY COIN CLUB." The most common medals do not have the Platte Valley Coin Club name on the medal. It appears that the club name was used without permission. The club name was removed from the die that was used to strike the remaining issues leaving a raised blank area at the bottom of the medal. These are considered to be the type two medals. Still yet another variety can be found where the club name was removed from the medal itself, leaving a incused area at the bottom of the medal.

In addition to the medal, a wooden commemorative set was issued by the club. The set consists of a wooden cent, nickel, dime, quarter, and fifty cent piece. A sixth piece has the state motto, bird, flower, and tree on one side and the Nebraska Centennial Seal on the other side.

The reverse side of the other five pieces commemorates the following things in North Platte during 1967: Scouts Rest Ranch, A Nebraska State Historical Park, Reunion of the world famous North Platte Canteen, Return of the first night air mail flight in the United States from North Platte to Omaha, North Platte, Nebraska's Centennial city for 1967, and the Seventh Annual Spring Coin Exposition.

Only a thousand sets were made and they are numbered. The first two hundred fifty sets were reserved so the members could buy the set that corresponds to their membership number.

The club issued wooden nickels in 1966, 1969, 1970, and 1973.

Type 2

Republican Valley Coin Club

The club got its name from the Republican River that flows through south-central Nebraska. This club no longer exists.

The club issued a golden bronze medal in 1967 to celebrate the state's centennial. This was the only club that issued a medal in 1967 that did not use the centennial logo for the reverse.

On the obverse of the medal is the outline of the state. Inside the state outline are the words, "CENTENNIAL 1867-1967 BOOSTER." Around the outer edge are the words "NEBRASKA HEART OF THE OLD WEST." On the reverse outer edge are the words "CLAY CENTER, NELSON, SUPERIOR, BOSTWICK, RED CLOUD, GUIDE ROCK, VISIT THE ANNUAL COIN SHOW."

MEDAL

1967 Nebraska Centennial - Golden bronze

SAC Coin Club

The SAC (Strategic Air Command) Coin Club of Bellevue issued its first item in 1964. It was a wooden nickel advertising its first annual show Sept. 12-13, 1964. The club issued a different wooden nickel each year through 1969. The club issued two wooden nickels in 1967. Also in 1967, it took part in the state centennial medals. The medals were issued in golden bronze, oxidized bronze, nickel-silver and silver. The medal shows a tanker refueling a jet fighter above Nebraska's oldest church as the major design. To the left of the church is "STILL IN USE NEBRASKA'S OLDEST CHURCH." Around the upper edge is "SARPY COUNTY," while around the lower edge is "BELLEVUE, NEBRASKA." On the side of the tanker are the words "SAC COIN CLUB." The reverse of the medal has the Nebraska Centennial logo. In 1969 the SAC Coin Club merged with the Midwest Coin Club.

SAC-Midwest Coin Club

In 1969 the SAC Coin Club and the Midwest Coin Club merged. The same year the club issued a elongated cent. The elongated cent shows an outline of the state of Nebraska; within this outline are the words "SAC MIDWEST COIN CLUB, OMAHA NEBRASKA." Outside the state outline and below the panhandle is "OCT 4-5 1969." The club issued wooden nickels in 1974, 1975 and 1976. The 1976 "wood" is made out of plastic.

Sandhills Coin Club

It is believed the Sandhills Coin Club was formed during the coin boom of the 1960's. When the club disbanded is unknown to the authors. In 1988 interested collectors in the area reformed the club. The club held its first show July 16-17, 1988 in conjunction with Alliance Centennial Days. The club issued a wooden nickel for its second annual show July 8-9, 1989. The club made another wooden nickel to acknowledge its annual coin shows. The club uses the undated version year after year at its annual show.

South Central Nebraska Coin Club

The South Central Nebraska Coin Club had a one-day coin show and auction at the Armory in Hastings in 1974. New officers elected at their January 1974 meeting were: President, William Hansen; Vice-President, Mr. Hartman; Secretary/Treasurer, John Weiler. Its meetings were held on the fourth Monday of each month at the House of Yesterday Museum.

The club also hosted the Great Plains Coin Festival on September 10 - 11, 1966 at the City Auditorium in Hastings. A special feature of the event was the meeting of the Nebraska Chapter of the Ancient Coin Club of America. Special exhibit awards were given in this category.

No items related to numismatics are known to the authors.

St. Paul Coin Club

No information was available to the authors.

Valley Coin Club

The Valley Coin Club was formed in 1974. The club existed a few years in the mid 1970's. Officers in 1975 were: President, Eugene Townsend; Vice-President, Richard Feeler; Secretary, Vern Vleet; Treasurer, Elsie Townshed; and Sergeant at Arms, Larry Thompson.

One wooden nickel is known issued by the club. The main device is "VALLEY COIN CLUB MEETS 2ND THURS, BANK OF VALLEY ORG. MAY 10, 1974 FRIENDLY AND HELPFUL"

Wooden Nickel

Year	Color	Reverse Device
1974	Black	Indian

Wahoo Coin Club

The Wahoo Coin Club was organized on January 30, 1961 by Hans Andresen, Walter Carlstrom, Evald Brodd, Gus Anderson and Lee Andresen at the home of Gus Anderson. The Constitution, By Laws, and Regulations were drafted at this meeting. An election of temporary officers was held. Lee Andresen was elected President, Gus Anderson was elected Vice-President, Walter Carlstrom was elected Secretary, and Evald Brodd was elected Treasurer.

The first meeting was held the first Saturday of the month, February 4, 1961, in the basement of the City Fire Hall at 8:00 P.M. John Gabarron, of Lincoln, gave a short talk and informed the club the A.N.A. library books and other books are available for club use.

The club has issued the most variety of numismatic items in the state. It has issued two designs of medals, several wooden nickels, wooden crowns, wooden flats, and a key chain.

The club issued its first medal in 1967 to commemorate the state's centennial. The medal was issued in golden bronze, nickel-silver, antiqued bronze, and silver. A fifth medal in oxidized silver and mounted in a custom holder can also be found. Only fifteen oxidized silver medals were issued and are presently very rare. These pieces were presented to past club presidents and officers and also to the administration of the John F. Kennedy college. The obverse of the medal has a 3/8 inch John F. Kennedy college logo and the words "HOME OF KNOWLEDGE-LEARNING 1965-1967." The bottom portion of the obverse has "WAHOO COIN CLUB 1961-1967." The reverse of the medal has the Nebraska Centennial logo. One four piece medal holder is known to exist, but it is unknown to the authors if it was a club issue or custom made for an individual.

The second medal the club issued was to commemorate its 25th anniversary. The obverse of the medal has the words "WAHOO COIN CLUB WAHOO, NEBR." around the outer edge. In the center is "ORG. 1-30-1961 25 YEARS OF EDUCATION 1961-1986." The reverse of the medal has a train engine pulling a coal car and the words "25TH ANNIVERSARY." The medal was issued in antiqued bronze, plain silver, and oxidized silver. The same 25th anniversary design was also used to strike a key chain in oxidized bronze. A wooden crown was also made to commemorate the 25th anniversary. The obverse of the crown has the words "1961 - WAHOO COIN CLUB - 1986" around the top half of the crown. "25TH ANNIVERSARY E.C. BRODD TREAS. 25 YEARS JIM JASA PRES. 1986" all appear in the middle. "WAHOO, NEBR." is around the bottom edge. The reverse has "THE HOME OF FIVE FAMOUS MEN" around the upper edge, and the men's names listed in the center.

The club issued wooden nickels for its shows from 1965-1976. The club also issued Proof set holders to commemorate its organization in 1961 and its 1st, 2nd, and 3rd anniversaries. It also issued holders to commemorate its 30th anniversary.

The holders were made by Capital Plastics Inc. They were designed by Hans Andresen and John Veach. Two holders were available with a choice of a white or black insert. One holder was designed to hold a 1991 Proof set and a second holder was designed to hold a 1961 and a 1991 proof set together. Due to an error by Capital Plastics, the wrong year (1961) was printed on the single proof set holder. A second insert with the correct date (1991) was made and issued to club members at no charge.

The club issued wooden flats to commemorate its 10th and 15th anniversaries. The 10th anniversary flat has "COMMEMORATING THE 10TH ANNIVERSARY WAHOO COIN CLUB ANA C-41474 ORGANIZED FEBRUARY 4, 1961 WAHOO, NEBR." on one side and a list of club presidents on the other. All printing was done in red, except the number in the lower left hand corner which was done in black. There were 320 pieces issued. The 15th anniversary flat has the words "COMMEMORATING THE 15TH ANNIVERSARY WAHOO COIN CLUB ANA C-41474 ORGANIZED FEBRUARY 4, 1961" on one side and a eagle with the words "AMERICAN BICENTENNIAL 1776-1976 IN THE SPIRIT OF '76" on the other. The club issued a round wooden dollar to commemorate its 20th anniversary. "20TH ANNIVERSARY" appears around the top edge with the words "WAHOO COIN CLUB ORG. FEB 4, 1961 CURRENT PRESIDENT LARRY ROWE TREAS. 20 YEARS E.C. BRODD" in the center. The words "1961 - WAHOO, NEBR. - 1981" are around the bottom edge. The reverse has a picture of an eagle with the words "LUCKY WOODEN DOLLAR" around the edge.
